Bachelor of Science in Artificial Intelligence

Regulations about the discounted train pass (A.Y. 2025/26)

Thanks to the partnership with the Trenord company, Bachelor of Science in Artificial Intelligence students can purchase a discounted train pass for traveling between Milano and Pavia.

To avail of this special offer, students must obtain a special "Io Viaggio" card issued by Trenord at the request of the University of Pavia. Beware that the regular "Io Viaggio" card does not qualify for the discount, so be sure to request the special card if you need it.

The "Io Viaggio" card **is valid for six months** and **can be requested once per academic year**. With this special card, students can purchase monthly train passes to commute between Milano and Pavia at a price discounted by 75%. Please note that this discount is only applicable to train passes between these two cities and cannot be used for other types of tickets or destinations.

To purchase the discounted train pass, students must visit any Trenord selling point near the train stations and present a valid card to the desk.

To obtain the special card, please fill out the request form at the following address: https://forms.gle/h6vNUaD5LDrADdPn9. The deadline for the request is reported in the following table:

Deadline	Validity of the card
31/7/2025	1/10/2025 - 31/3/2026
10/10/2025	1/12/2025 - 31/5/2026
11/12/2025	1/2/2026 - 31/7/2026

All requests issued before each deadline will be considered for the associated validity period (e.g., all requests issued before the first deadline will be considered for the first semester). Do not send a request for a given validity if a previous deadline has not yet expired!

Remember that:

- This opportunity is restricted to the Bachelor of Science in Artificial Intelligence students.
- Only one request (i.e., one semester) per year will be accepted.

When filling out the form, please upload a photograph that clearly shows your face. Pay attention to the requirements:

- The photo must clearly show your face (for the pose, you can take inspiration from the guidelines concerning pictures for the ID cards https://www.cartaidentita.interno.gov.it/en/request-cie/photo-acquisition-process/);
- It must be encoded in the JPEG format;
- The size must be **exactly** 240×270 pixels;
- The name of the file must be your tax ID (Codice fiscale) with the ".jpg" extension (for instance, "ABCXYZ98A01L123Z.jpg" if ABCXYZ98A01L123Z is your tax ID.

The University of Pavia will forward the request to the Trenord company, which will send back the cards before the first day of validity. Students must personally collect their cards from the Mathematics Department of the University of Pavia. Cards are usually available only a couple of days before the start of their validity (owners will be notified by email). **It will not be possible to delegate the withdrawal to others.**

Note: the conditions described above are subject to modification in case of changes in the agreement between Trenord and the University of Pavia or for administrative and organizational reasons.
