UNIVERSITÀ DI PAVIA

Artificial Intelligence Study Plan Template

— First year

Teaching	Semester
Computational logic	1st
Experimental physics for AI	1st
Computer programming, algorithms and data structures	1st and 2nd
Knowledge representation and reasoning	1st and 2nd
Calculus	1st and 2nd
Theoretical and computational linear algebra	2nd
Cognitive psychology	2nd

- Fill in your study plan when you're asked for (**October 14 - November 11**)
- Take the exams in order to get CFU

UNIVERSITÀ DI PAVIA

Artificial Intelligence Study Plan Template

— First year

Teaching	Semester
Computational logic	1st
Experimental physics for AI	1st
Computer programming, algorithms and data structures	1st and 2nd
Knowledge representation and reasoning	1st and 2nd
Calculus	1st and 2nd
Theoretical and computational linear algebra	2nd
Cognitive psychology	2nd

- Fill in your study plan when you're asked for (**October 14 - November 11**)
- Take the exams in order to get CFU
- Attention! the **single modules do not assign CFU**, you need to pass the whole exam

DI PAVIA

Course catalogue

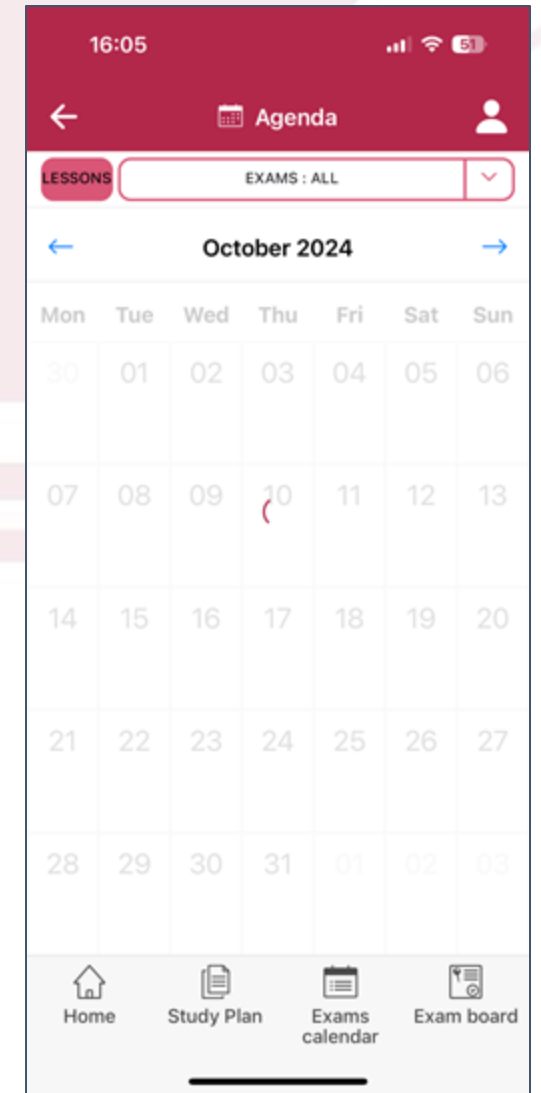

If you need information on a single teaching, you can refer to the [Course Catalogue](#)

UNIVERSITÀ DI PAVIA

Class schedule

- Either on your MyUniPV app or on [website](#)
- **You can attend any lectures** also beyond the ones in your calendar
- You can only take exams of subjects that you have added to your study plan

UNIVERSITÀ DI PAVIA

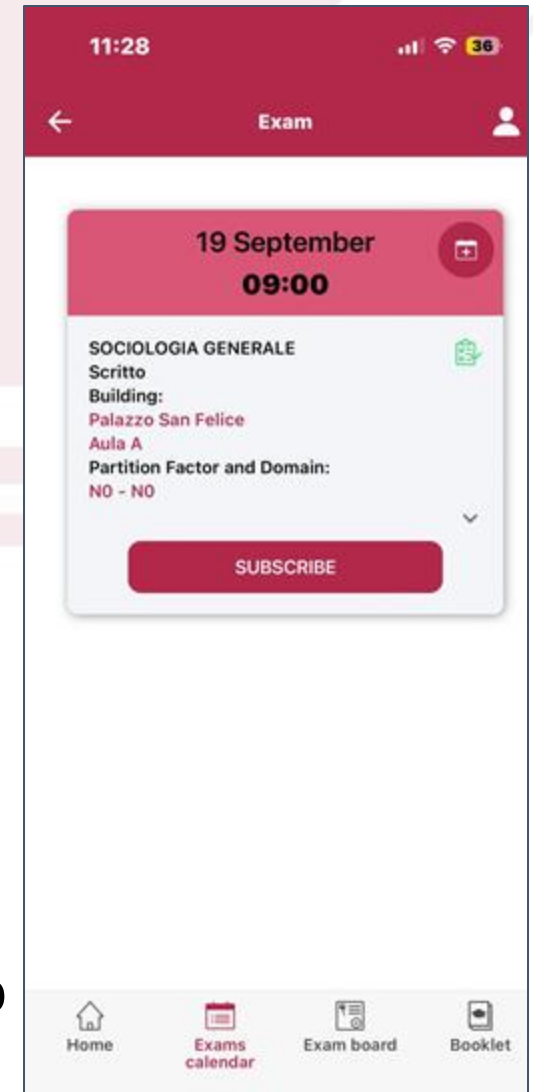

Exams

General information:

- Each exam correspond to a specific number of ETCS (credits/CFU)
- Exams can be **written, oral, project** or **mixed**
- Passing grade is **18/30** - Maximum grade is **30/30 with Honors**
- 3 exam sessions per year, with minimum 2 dates each
- You can take only the exams that you have added to your study plan

Important steps:

- Fill in the teaching evaluation questionnaire (anonymous!)
- **Book** the exams you want to take **until 4 days before the test**
- You can **reject the grade within 5 days** (Student Portal or MyUniPV)
- After 5 days, the grade is **automatically accepted**
- **Once a grade is marked as accepted, the exam cannot be re-taken**
- Check your average scores and CFU gained from the dashboard app

UNIVERSITÀ DI PAVIA

National and international mobility

- Erasmus+ for Study (outgoing.erasmus@unipv.it)
- Erasmus+ for Traineeship (train.erasmus@unipv.it)
- Overseas Exchange Program (outgoing.erasmus@unipv.it)
- Erasmus+ Blended Intensive Program (erasmusbip@unipv.it)
- Erasmus Italiano - NEW!

Each type of program has a different application window, pay attention to your institutional email box for not missing deadlines!

Important Reminders

- request your Italian tax code;
- request your residence permit and send it through Filodiretto;
- submit your study plan
- submit any document requested to finalize your enrollment - if still missing (deadline December 1st 2026);
- pay the second installment of the tuition fees (deadline December 10th 2026).

Services & Facilities

The following services & facilities are referred to the University of Pavia, please check in UniMi and UniMiB websites for the facilities they offer!

UNIVERSITÀ DI PAVIA

Part-time collaborations and tutoring

Part-time collaborations: students collaborate with the University engaging in activities aimed at improving services for students.

Workload: ranging from 50 to 150 hours per year.

Compensation: flat rate of € 7.75 net per hour, exempt from taxes, for each hour worked.

Tutoring: supporting students during their academic life, the tutor will collaborate to help students to face the possible difficulties during different phases of their training process.

Applications are open twice a year: once in September and once in May.

Compensation: about €14/hour.

More information available [here](#)

NOTE: You cannot act as a tutor in the same academic year as having a part-time job with the University.

UNIVERSITÀ DI PAVIA

UNIVERSITÀ DI PAVIA

Become a UNIPV Student Ambassador!

What is it?

The Student Ambassador Program offers you the chance to promote the University of Pavia and support international students.

Key Activities:

- Engage with prospective students via the Unibuddy chat.
- Lead campus tours and participate in welcome events.
- Create social media content (Instagram, blogs, videos).
- Share feedback with the University to improve services.

Why Join?

- Improve your soft skills: communication, teamwork, and more!
- Gain official recognition with a certificate and Open Badge.
- Enjoy exclusive benefits like priority for EC2U initiatives and vouchers for CUS or Italian language courses.

Who Can Apply?

Students enrolled in an English-language program who are passionate, energetic, and social media-savvy.

To apply scan the QR code and fill out the form.
